Spread the Word!

Hello!

We are excited to tell you about *The Christian Jackson "It's Your Responsibility" Scholarships*. These scholarships are offered by Creative Change Counseling, Inc., a non-profit organization that provides mental and behavioral health services in New Jersey, Delaware, Maryland, North Carolina, and Texas.

These scholarships are a heartfelt initiative designed to honor the memory of Christian Jackson, a remarkable young man with special needs and challenges who inspired us with his spirit, resilience, and passion for life. Christian's reminder to us that "It's Your Responsibility" to consider *everyone's* needs and interests, continues to motivate us to create positive change in our community for everyone.

We are reaching out to you to help us spread the word about these scholarships to assist college-bound high school seniors with college tuition, as well as currently enrolled college students who face financial hardship in continuing their education. To learn more about these scholarships and how to apply, please scan the QR Code below, and encourage high school seniors and enrolled college students to apply today!

Thank you!
